Dear Parents,

The school year is quickly coming to an end. It seems like it was just yesterday we were loading the bus to go to the pumpkin patch and welcoming Santa Clause to Sea Isle City. As we approach the final days of the 2010/2011 school year, I realize how fast this year has gone by. We have all enjoyed many fun learning experiences together, field trips, assemblies and outings to the county library.

The most rewarding part of being a parent and educator is witnessing first hand the growth of a child. I believe as a result of hard work on the part of the staff, students, and most importantly you the parents, your children have enjoyed tremendous academic growth this school year. In an effort to maintain and build upon that growth the teachers have prepared a summer reading program for the students.

Reading experts agree that most young readers suffer a backslide in reading skills during the summer downtime. This does not have to be the case! Summer can provide many opportunities for parents and young children to spend quality time enjoying unforgettable books together. Families can make reading a priority during the summer months, children should learn that people never take a vacation from reading and learning.

Please review the reading program the teachers have recommended for your child's grade level. If you have any questions during the summer months you can contact the school any Tuesday, Wednesday or Thursday between the hours of 8:00am and 2:00pm.

Have a safe and enjoyable summer!
